## 2020 BULL'S BLOOD®

### Shiraz - Mataro Pressings

*Rolf Binder & Paulo Correia*

Hungarian 'Bikaver' wine translates to 'Bulls Blood' and dates back to the 1500's when the Hungarians were fighting the Turks. It was a wine for strength in battle! The first Veritas 'Bulls Blood' was produced in 1967 by R. H. Binder and the label as remained similar to this day. It has become an Australian 'cult' wine and one that collectors enjoy for its wonderful ageing potential.

Palate: Wine delivers a densely fruited mouthfeel. Lots of dark fruits such as black boysenberry, cherry and blueberry give the wine a beautiful sense of fruit sweetness. Some vanillin oak, mocha and dark chocolate add to the complex palate. Classic black pepper, some rose petal and black olive show up as well. Dense and firm tannins cover the back palate and pave the ground for a long savory finish.
