2020 Hardys HRB Cabernet Sauvignon

Gold Points - Melbourne Royal Wine Awards 2022

95 Halliday Points - Jane Faulkner – Halliday 2024 – *“No mention of the percentage split between Margaret River and McLaren Vale, although the fragrance and fruit profile is definitely in the former camp. A rich and powerful wine, in a way, with so much on show – the cassis and mulberries, the tobacco and mint chocolate and a wave of cedary sweet oak. It’s a full-bodied red with layers of tannins and detail. It’s bigger than some will like, but a wine for many.”*

94 Points - Huon Hooke – The Real Review 2023 *“Deep, slightly evolved colour, with the faintest tint of purple, the bouquet is very inviting, cedar, blackcurrant, tobacco (cigar box) aromas, the palate intense and elegantly formed with intensity and length, elegance and balance, the tannins beautifully measured and supple, ripe and yet purposeful, imparting brilliant structure to the palate. An outstanding cabernet which is delicious now but surely has a long future ahead of it. (Margaret River & McLaren Vale)”*
