Bay of Fires Chardonnay 2025

Background

The Bay of Fires wines were born of a desire to showcase the best possible cool climate varietal wines Tasmania can offer, combining fruit intensity, refinement and persistence of flavour. The 2025 Chardonnay represents the continued evolution of this wine as we explore and develop vineyard resources. Our philosophy is to nurture elegance and develop ripe flavour profiles.

Tasting Notes

Lifted aromas of white nectarine and lemon blossom mingle with notes of dried fig and a subtle flinty reduction. The palate leads with juicy white peach and nectarine alongside fresh citrus, roasted hazelnut and white spice, framed by elegant French oak and vibrant acidity. Hand harvested from the Coal River Valley and East Coast regions of Tasmania, the fruit carries lifted aromas of peach and preserved lemon into a long, textured palate that carefully balances vibrant fruit with elegant French oak, a true expression of cool climate Chardonnay.

Winemaker's Notes

Seasonal conditions were fairly consistent across Tasmania, with above average temperatures. It was very dry in the southeast and drier than normal across the rest of Tasmania. These seasonal conditions resulted in an earlier and condensed vintage in 2025, which supported great yields and high quality.

Here at Bay of Fires Wines, our philosophy on Chardonnay production is to preserve the essential characteristics of the vineyard and create the highest quality blend from subregional Tasmania. Gentle handling of the fruit and wine help to achieve this, while restrained winemaking assist in developing the complexity of the final blend. We have been honing our skill in crafting Tasmanian Chardonnay and understanding our vineyards for many vintages now. Several of the vineyards we source Chardonnay from were planted for us at carefully selected sites. These are now developing in maturity, which translates to better balance and depth of flavour in our wines. The 2025 Bay of Fires Chardonnay exemplifies this development and shows the richness and elegance that is so desirable from cool climate Tasmania.

Vintage	2025
Growing Areas	Tasmania (Coal River Valley, East Coast)
Grape Variety	100% Chardonnay
Winemaker	Stewart Byrne
Alcohol	13.5%
Cellaring	Drink now or cellar for up to 10 years
