Bay of Fires Pinot Noir 2025

Background

The Bay of Fires wines were born of a desire to showcase the best possible cool climate varietal wines Tasmania can offer, combining fruit intensity, refinement and persistence of flavour. The 2025 Pinot Noir represents the continued evolution of this wine as we explore and develop vineyard resources. Our philosophy is to nurture elegance and develop ripe flavour profiles.

Tasting Notes

Bright, vibrant red in colour, with a bouquet lifted by red berry fruits and juicy cherry meld with darker notes of olive, cherry cola and star anise. The palate features fine knit tannin, and a juicy core of dark cherry and black fruits melding with savouring elements of olive, black tea and cedar. The wine has great length and a fine acidity with the signature peacock tail.

Winemaker's Notes

At Bay of Fires, our philosophy for Pinot Noir is to capture and preserve the essential character of the vineyard and craft the finest expression of Tasmania's diverse subregions. Gentle handling of both fruit and wine is central to this approach, while restrained winemaking allows the complexity and individuality of each site to shine.

Several of the vineyards from which we source Pinot Noir were originally established for Bay of Fires at carefully selected sites. As these vineyards continue to mature, they deliver greater balance, structure and depth of flavour, enhancing the quality and character of our wines. Our Pinot Noir is handpicked and fermented in small batches using wild yeast and minimal intervention. Fruit and must are moved by gravity wherever possible, and the wine is pressed in a traditional wooden basket press to ensure the gentlest handling throughout the winemaking process.

The 2025 Bay of Fires Pinot Noir is a compelling expression of this philosophy, combining richness, elegance and complexity with the purity and finesse that define cool climate Tasmania.
